Early Years Funding

Little Lancing offers universal Early Years Funding for all 3 and 4 year-olds. Provision starts from the term following a child's third birthday up until they reach compulsory school age. All 3 and 4 year-olds are eligible to receive 15 hours of Early Years Funding during term-time or around 11 hours a week if taken across the full year. As Little Lancing is open 51 weeks a year, we can **only** offer Early Years Funding education for 11 hours a week. Little Lancing will apply for this universal funding.

Some 3 and 4 year-olds may also be eligible for 30 hours of Early Years Funding during term-time or around 22 hours a week if taken across the full year. As Little Lancing is open 51 weeks a year, we can **only** offer Early Years funding for 22 hours a week. The extended funding is applied for by families via the government website www.childcarechoices.gov.uk and Little Lancing require the eligibility reference number issued following a successful application to register on the local authority portal for nursery care providers.

We offer a limited number of places with Early Years Funding for those 2 year-olds eligible to access 15 hours of Early Years education during term-time or around 11 hours a week if taken across the full year. As Little Lancing is open 51 weeks a year, we can **only** offer Early Years Funding for 11 hours a week. This is subject to families meeting the eligibility criteria. This funding is applied for by families via the government website www.childcarechoices.gov.uk and Little Lancing require the eligibility reference number issued following a successful application to register on the local authority portal for nursery care providers. Please check with the Nursery Manager for session availability.

At Little Lancing, we charge 'General Extras' to those accessing Early Years Funding because this funding by the government and local authorities only covers delivery of those elements required by the Early Years Foundation Stage. It does not therefore allow us to provide Early Years education to the standard we aim to achieve. General Extras are charged at £2.70 per funded hour used within our core hours of 7.00am to 2.30pm. This charge contributes towards activities, consumables and services, beyond the basic requirements of the EYFS, which we make available to all children at Little Lancing, such as EyLog, outings, refreshments and meals. **Please note:** General Extras are **not** charged to those accessing Early Years funded-only places for 2, 3 or 4 year old children. Please check with the Nursery Manager for session availability.

For children accessing hours in excess of funded hours, the funded hours will be allocated to sessions in the following order of priority: morning sessions, extended day, standard day and finally afternoon sessions.

We appreciate that Early Years Funding is not straightforward, so if you have any questions, please do not hesitate to contact the Nursery Manager. A copy of our Early Years Funding Policy is available on request from the Nursery Manager or the Nursery Administrator.
