SAFEGUARDING IN THE ADMISSIONS PROCESS

The Admissions process is an integral part of Little Lancing's commitment to promoting the safety and welfare of every child in the Nursery, in line with the Little Lancing Safeguarding (Child Protection) Policy. Staff receive regular training and are aware of the importance of this for every child. It is

important that parents also share any information that they are aware of with the Nursery Manager to ensure that we can support their child.

DATA PROTECTION IN THE ADMISSIONS PROCESS

As part of the admissions process it is necessary for the Nursery to process relevant personal data regarding children joining us. The Nursery will process data in accordance with its Data Protection policy and in line with the GDPR (Guide to the General Data Protection Regulation).

Only data that is necessary for the Admissions process will be collected. Following an enquiry for a place at Little Lancing it is assumed that a legitimate interest exists for both parties to be in contact, that parents have a genuine interest in the Nursery and therefore expect to receive relevant information and news.

Once a child is withdrawn from the Admissions process, parents will not receive further information from the Nursery. Little Lancing will be responding to the requirements of the 2018 legislation as and when they become clearer. Parents can ask at any time not to receive further contact. Please contact the Nursery Manager if you would like to be removed from our database.

COMPLAINTS

We hope that the process of joining Little Lancing is straightforward and supportive. If however you feel that we have fallen short of what you would have expected we would appreciate the opportunity to address this either informally or via the Nursery's complaints procedure, which is available on the Nursery website.
