11+ Scholarships

September 2027

A Welcome from our Head Mistress

At Lancing Prep Hove, we believe in the power of a happy, nurturing environment where children are encouraged to be brave in the pursuit of learning.

Our scholarship programme celebrates pupils who show exceptional promise and passion in a particular area, and who contribute positively to our school community.

We are proud to offer opportunities that recognise and support talent, staying true to our stated aim that each child will develop a love of learning and reach their full potential, enriched by the arts and physical activities

Academic Scholarship

At Lancing Prep Hove, we celebrate children who are intellectually curious and who are eager to learn and explore ideas beyond the classroom.

Our academic scholarship recognises children who demonstrate a genuine love of learning and a thoughtful, collaborative approach to their studies.

For the assessment, pupils will complete age appropriate standardised tests and complete a critical reasoning challenge led by the Director of Studies. They will also have a conversation with a senior member of staff which will be less formal than an interview, but offer them an opportunity to answer and ask questions

We understand that every child learns differently. If your child requires any specific access arrangements, please let us know during the registration process so we can ensure they feel confident and supported.

Art Scholarship

At Lancing Prep Hove, we believe that creativity is a powerful form of expression and a vital part of a child's development.

Our Art Scholarship celebrates pupils who show imagination, originality, and genuine creativity .

On the assessment day, candidates will attend a lesson with our Head of Art who will guide them through a task.

They'll have the opportunity to talk through their work and share what inspires them and how they approach the creative process.

Portfolios or samples of work are very much welcomed if pupils would like to bring them.

We're looking for pupils who are excited to explore, experiment, and grow as artists - those who bring energy and curiosity to every sketch, sculpture or painting.

Drama Scholarship

Drama at Lancing Prep Hove is about more than performance - it's about confidence, collaboration and creativity. Our Drama Scholarship is for pupils who love to express themselves and bring stories to life.

On the assessment day, candidates will take part in fun and engaging workshops led by our Drama teachers.

We welcome children with experience, but we're especially excited by those who show potential and a willingness to grow. If your child loves being on stage or behind the scenes - this is a wonderful opportunity to shine.

Music Scholarship

Music is woven into the fabric of life at Lancing Prep Hove. From singing in assemblies to performing in ensembles, our pupils are encouraged to find joy and confidence through music.

We recommend that pupils are working at Grade 2 or above, with Grade 3+ preferred. Above all, we're looking for children who are passionate about music and eager to contribute to our musical community.

Sport Scholarship

Sport at Lancing Prep Hove is about teamwork, resilience and joy.

Whether on the pitch, court or field, we encourage pupils to challenge themselves, support others and take pride in their progress.

Our Sports Scholarship is open to children who demonstrate exceptional ability in one or more sports, or who show all-round sporting talent. On the assessment day, candidates will take part in a variety of physical activities, lead by our Director of Sport.

We're looking for children who lead by example, show commitment to their teams and bring energy and enthusiasm to every game.

The All-Rounder Award

The All- Rounder Award recognises pupils who demonstrate excellence across a range of areas, whether academic, creative, sporting, or personal. These children bring energy, integrity, and a sense of purpose to everything they do.

We're looking for individuals who make a meaningful contribution to school life, who inspire others through their actions, and who show a genuine love of learning in all its forms.
