Early Years Funding for 3 and 4 year-old children

Lancing Prep at Worthing offers universal Early Years Funding Places of up to 15 hours per week, subject to the Government and Local Authority terms and conditions. The funding is restricted to the number of weeks the school is open, usually 33 weeks per year, not the full 38 weeks offered by the local authority.

At Lancing Prep at Worthing, we charge 'General Extras' to those accessing 3 and 4 year old Early Years Funding because this funding only covers delivery of those elements required by the Early Years Foundation Stage. It does not therefore allow us to provide Early Years education to the standard we aim to achieve. General Extras are charged at £4.50 per funded hour used within our core hours of 09:00 to 12:00. This charge contributes towards activities, consumables and services beyond the requirements of the EYFS, which we make available to all children during core hours such as a programme of forest school, music, cookery, yoga, sports, swimming, general outings, refreshments and meals. These

charges vary according to bookings, please contact the nursery for a fee quotation. Please note, General Extras are not charged to those accessing Early Years funded-only hours.

Funded only places are offered daily between 12:30 and 15:30, no deposit is required to access this, and a 4 week notice period will apply. Please contact the school for further information and availability.

At Lancing Prep at Worthing, we do not offer 2 year old funding or 3-4 year old extended funding.

We appreciate that Early Years Funding is not straightforward, so if you have any questions, please do not hesitate to contact the school.
