WELCOME BACK

The new school year is under way. It is a very different world at school with our Covid-secure measures in place and we are sad that we cannot welcome parents into school as we would normally do. What hasn't changed though is how happy the children are to be back in their classes for the new school year. Together our school family will work through this time. We are so fortunate to have so much outdoor space available for the children to run and play in, or to sit in their bubble groups during their breaktimes. They have been certainly making the most of spending time outside while the weather is so kind to us.

Our New Reception children were excited to explore our Forest School area

Congratulations and Well Done!

We also celebrate the achievements of our pupils outside of school - here is a round-up of some we have heard of recently.

Congratulations to Hugo D for achieving Distinction in his Grade 4 solo drama exam taken in the summer. It's a wonderful result to get a top grade in an exam taken in such challenging times and shows Hugo's commendable determination to succeed.

Charlie G, already a keen surfer and sailor, took up windsurfing this summer and has proved such a natural talent that he is now being sponsored by not only Worthing Watersports, a well-established local business, as their Junior Shop Sailor but also by Duotone/Ion a major worldwide brand through their UK importer Nik Baker, who is himself a former World Champion windsurfer. We look forward to hearing about Charlie's progress.

Felix C and Reuben D both play football for Worthing United football teams. Their training has re-started in September and the club gave out the prizes from last season which would normally have happened earlier. Well done to Felix (left) who was awarded the Players' Player Trophy and to Reuben (right) who collected the Rising Star trophy for his performances in the Colts Team.

Mrs Casey was delighted that Isabella B's 500 word story was submitted for a BLM writing competition and that it was chosen to appear in the printed book. A writer in the making - well done Isabella!
