Half Term Drama Workshops for Years 5 to 8

Huge thanks to Rosie and Comet Theatre Workshops for the super programme they led at LPW during Half Term in our Drama Studio. We were proud to be one of the few schools able to offer pupils holiday activities. The children developed singing, acting and dance skills and thoroughly enjoyed being put through their paces by industry professionals!

Meet the Hedgehogs!

Children in Nursery and Pre-Prep were thrilled to have small, prickly visitors from Saint Francis Animal Care Hedgehog Rescue Centre who were brought by Graham, who has cared for them since they were hoglets.

The children were fascinated to see the hedgehogs and to learn all about their diet, lifecycle, and hibernation.

Diwali

The Pre-School children experimented with colouring rice with paint. They used the rice to make Rangoli, part of the Hindu celebrations for Diwali. As well as being creative, they practised their fine motor skills by using tweezers to pick up and position the grains of rice into the Rangoli

Children in Need

The school marked Children in Need rather differently this year. Everyone came into school dressed in rainbow colours. The Nursery children had fun with the special workout with Joe Wicks. The total raised was £748.92 - thank you for everyone who supported Children in Need.

Remembrance

LPW was represented in the College Service film for Remembrance Sunday as well as marking a socially-distanced two minute silence in school on 11 November on our school field.

Our Origami Club were also shown by John H in Year 6 how to create these lovely poppies.

House Sport Competitions

It was lovely to see the children playing outside on a sunny autumnal afternoon for the House Football! Normans amassed 17 goals to win overall and Britons bagged second place with a tally of 7!

Next up was Co-Ed Netball for Years 7 and 8. Britons won all three of their games with a total of 15 goals and Celts were runners up with two victories and 12 goals scored. It was a fun activity which was played with our customary grit and determination to succeed!

Reception

Alex	for always doing his best in every situation, and for using his knife and fork at lunchtime
Cleo	using her knife and fork at lunchtime
Daniel	for super constructing
Jacob	using his knife and fork at lunchtime
Jasper	for super effort with reading
Jessica	for knowing what a 'blurb' was and for super name writing
Lana	for sharing her excellent general knowledge with the class
Leah	using her knife and fork at lunchtime
Magnus	for very sensible behaviour
Matthew SD	for super contributions at carpet time
Oscar D-G	for asking excellent questions, and for using his knife and fork at lunchtime
Oscar K	for being helpful
Primrose	for excellent concentration in phonics sessions
Trixie	for using her phonic sounds to write words

Year 1

Chloe	for her retelling of the Goldilocks story through acting
Emily	for her fantastic toy drawing with pastels
Freddie	for persevering during ICT
Henrietta	for always trying her best
Isla L	for her thoughtful contributions at carpet time
Max C	for his excellent contributions in Maths
Rosie E	for working hard on her handwriting
Sia	for asking when she is unsure of the meaning of new words
Zoya G	for trying hard to listen and follow instructions

Year 2

Amalie	for her fantastic, original explorer bags
Ben	for his enthusiasm with our new topic
Damian	for enthusiastic adjectives work
Daniel	for settling well into his new class
Eithne	for excellent work on column addition
Elliott	for persevering with Maths and for sharing his knowledge of Arctic animals
Elodie	for increased confidence
Emily	for going out into the world and doing good
Esmee	for super use of a word mat
Ethan	for his fantastic story based on a genie that escaped, and for his fantastic, original explorer bags
George	for making connections in his learning
Hattie	for perseverance when subtracting in Maths
Hunter	for his perseverance in Maths
Jasper	for excellent work on column addition, and for his design ideas in DT
Mathilda	for her description of what she would do in her snow globe
Millie	for always trying her best
Rose	for good column subtraction in Maths

Year 3

Leah M	for an outstanding, imaginative and informative video which required lots of focus for her Stone Age delving deeper homework
Theo K	for excellent increased focus and effort across all subjects since the start of Year 3. Keep it up!
Thomas R	for inquisitively finding out more about local war heroes and writing up the story of one fallen soldier as extra homework
William B	for an outstanding, imaginative and informative video all about Greece when delving deeper, and for inquisitively visiting the Worthing war monument as an extra part of his remembrance day homework

Year 4

Beatrice D	for always doing her best and for working very methodically when approaching maths puzzles
Faye W	for inquisitiveness and dedication when completing Science delving deeper homework
Harry C	for a very imaginative delving deeper project about the Ancient Greek gods
Jonathan C	for a superb delving deeper project, creating a Greek soldier accurately
Joshua C	for outstanding inquisitiveness and dedication when completing delving deeper homework
Misha M	for a fantastic recount of her trip to the Science Museum-very inquisitive!
Ryley G	for a very interesting and imaginative homework task about the Olympic games
Sophia S	for excellent focus and inquisitiveness when finding out all about the Ancient Greeks

Year 5

Ruby H	for being very inquisitive during a recent Science homework
--------	---

Year 6

John H	for crafting an impressive poster about the French Remembrance Day and linking French and English culture. A model of open-mindedness!
Osian E	for being extremely motivated and persistent when completing coding work at home

Year 7

Sophia B	for crafting an impressive Battle of Hastings report - filmed on the actual battlefield!
----------	--

Year 8

Bethan E	for a highly imaginative story written for pleasure in her spare time
----------	---

Well Done!

Congratulations to Bethan in Year 8 who has worked so hard for her Bronze Arts Award from Trinity College London. We are so proud of her. We are also impressed with Devon's musical recital to an engaged audience at home! If parents would like to send Miss Brown photos of their children performing music at home, we'd love to make an end of term gallery of them.

House Points

The latest week's house point totals show Normans ahead!

Normans 429 **Britons** 409 **Saxons** 268 **Celts** 245
