Meet our new Reception pupils

Mrs Stephens, Head of Pre-Prep is delighted to welcome our new cohort of 20 girls and boys into this year’s Reception class.

All the children are making a super start to life in the Pre-Prep and settling in well.

With a further 21 new pupils joining the school across the older year groups and a new batch of children in the Nursery, the school is buzzing with energy as we start the new school year.

Welcome to all our new starters!

A fresh approach to Modern Foreign Languages

MFL learning is taking on a much wider range of language choices for our older children in Year 7, who now travel up to Lancing College each week to study German and Spanish.

We are delighted that some pupils have also opted to join the Mandarin club at Lancing College. The children are of course continuing to learn French at LPW and this term we are also running a club here for Portuguese, thanks to Noa in Year 8. Mrs Salter is attending the club and is enjoying learning another language too!

Sienna R competed in the South of England gymnastics regional levels and ranked 3rd. She has now qualified for the national finals in November 2018 as part of the South team. Sienna will have a heavy schedule of training from now until then, as her team goes forward to compete against all the other areas in GB. We wish her all the very best!

Purdey M attended an intensive sailing course on the Isle of Wight during the summer break. Over the course of the week, she was helming a Vision on the Solent with a crew of 3. She was the youngest participant on the course which included young people up to the age of 16. We were delighted to hear that Purdey won an award for her confident and skilful sailing.

Our equestrian star, Pippa S and her pony competed recently in her out of school club team who won the Land Rover Pony Club South East Regional Championships at Keysoe in Brentwood. Great team effort!

Meet our new Teachers

We are delighted to welcome four new full-time members of our teaching staff this September. They are (left to right):

- Miss Goldfinch, who joins us from Windlesham House School as our Head of Science and a Year 7 form teacher.
- Mr Lucas who joins us from Great Walstead School, who is teaching our second Year 4 class and taking games.
- Mr Grimshaw who joins us from Rudyard Kipling School as a Year 6 class teacher and teaches General subjects.
- Miss Snook (far right) completes our complement of new staff. She joins us from Junior Kings Canterbury as our Year 1 class teacher in the Pre-Prep.

Calling Year 6 parents!
The deadline for applications for the Lancing College Advance Programme for entry in 2021 is Wednesday 26 September.

U11 6-a-side Football Tournament at Lancing College

Group Stage Results
LPW v St Christopher’s, Hove W 3–1
LPW v Parkside D 1–1
LPW v Hilden Grange D 0–0
LPW v Westbourne House W 3–0

Cup Quarter-Final
LPW v Ashurst School W 1–0

Cup Semi-Final
LPW v Aldro School D 1–1 lost on Penalties 2–3

A fantastic start to the football season for the Year 6 boys as the Colts team finished 3rd overall. They started very brightly and finished top of their group unbeaten.

After a quarter-final win, LPW faced a strong Aldro side. Our boys played some fantastic football, achieving a draw at full time. There was a tense ‘sudden death’ penalty shoot out and unfortunately for LPW, it was Aldro who went through to the final.

Mr Richards was extremely proud of the effort and commitment all the boys put into their matches. Well done everyone who took part!
