Harvest 2018

This year as part of our Harvest celebrations we will, once again, be supporting the Worthing Churches Homeless Project. On an average day the WCHP feed 153 people, some just for breakfast but many for all three meals. As you can imagine, as a charity they rely heavily on donations to keep their cupboards well stocked. This year the WCHP are asking for donations of biscuits, squash, long life fruit juice and long life milk. If you are able to make a donation of any of the above please bring your donations to school in the week beginning 15 October. There will be a table in the school entrance hall where items can be placed until they are collected on Thursday 18 October. Thank you very much for your support.

Reception became ‘food detectives’ at Tesco in Worthing. They had to search for a variety of fresh fruit and vegetables and find out if they were grown in the UK or abroad. They found out about how to preserve food to make it last longer and looked at all the different loaves of bread in the bakery.

Finally they bought the ingredients to make their own bread at school. The beautiful behaviour of the children was commented on by both Tesco staff and members of the public, lovely to hear!

Nursery are thinking about ‘People who Help Us’ and last week E watch from Broadwater Fire Station came to visit. They parked the fire engine right outside and invited us to climb aboard. We saw where they stored their first aid kit, the hammers and tools they use to help people. They showed us where the hoses are stored and even let us use the hose. The nursery bushes and shed were well watered... it was brilliant!

Paramedic Dan visited this week with his ambulance. He told us all about his job, when we might need an ambulance and the number we call if we need help. Several children had a turn using the oxygen mask and Sophia and Helena had their heads and legs bandaged. Inside the ambulance we saw lots of interesting equipment and some of us had our oxygen levels and pulse checked. We were even allowed to sit in the driver’s seat. Just as he left Dan turned on the siren which was really loud and we had to cover our ears.

Up-and-coming singer/songwriter Lewis Bootle, who has performed at both Glastonbury and Bestival, and will support Years & Years on their forthcoming UK tour, also combines his exceptional musical talents with delivering important messages to young people about mental health and online safety.

Lewis gave an entertaining and thought-provoking performance to the Prep school children as part of our PSHE programme. The children absolutely loved it! Lewis is certainly a name to watch for in the future.

Our Open Morning takes place on 13 October at 10 am

If parents know anyone considering LPW for places for September 2019, please let them know as places are already filling up throughout the school!

House Points

All Prep school pupils enjoy our fiercely competitive House Points Competition each year and the standings are announced each Monday. Here are the current rankings for Monday, 1 October:

Britons   227
Normans  210
Saxons  206
Celts    195

The scores are much closer now! Saxons have overtaken Celts but will Britons still be top of the leadership next time?

Thank you

To our wonderful LPWA, who arranged and funded one of the annual Bee-Fit parties held after school. The Nursery and Pre-Prep children always enjoy these fun fitness parties with traditional games, parachute games and lots of activities!

Congratulations!

To Sydney M in Year 5, who gained her Grade 7 in Kung Fu.
