Flu Vaccinations

Flu vaccinations take place here on 23 November for pupils in Reception and Years 1 to 5. If you have not yet sent in a consent form, please complete and return by Monday 5 November. Forms are available from the school office. **Should you change your mind after you have returned the consent form, please put this in writing stating your child's name, date of birth, school name and the change you wish to make. Give this to the school reception marked 'Urgent for the attention of the Immunisation Service'.** If you do not want your child to have this vaccination, we would be grateful if you could return the consent form to school giving your reasons for declining. This will help us in the development of the Influenza vaccination programme in the future.

LPWA dates for your diary

Friday 9 November 6-8pm - Fireworks Night
Friday 16 November 3-5pm – Uniform Sale in Hall
Friday 23 November – Mufti Day in return for a bottle for our Christmas Bottle Tombola
Friday 30 November 5.30-7.30pm - Christmas Fair

Milk Bottle Tops

We are continuing to collect clean milk bottle tops. They can be any colour but please do not bring any other bottle tops as these are not accepted by the recycling company. The initiative which recycles the milk bottle tops then donates to charities including Chestnut Tree House. Please ask your child to place the milk bottle tops in the box in the school hall. Thank you.

Glyndebourne Experience

Children from Years 7 and 8 visited Glyndebourne to see Massenet's opera – Cendrillon. They studied the fairytale genre and the many versions of Cinderella in English lessons prior to their visit. They had a picnic, explored the beautiful grounds in the sunshine and were treated to an afternoon of world-class opera. They even had a chance to meet Cinderella and

her Prince Charming after the show.

The following are quotes from our children writing about their trip:

'I loved listening to the live orchestra, walking in the gardens and exploring all the grounds.'

'I was surprised to see so much artwork on display, there were so many beautiful paintings and sculptures.'

'I enjoyed the step

sisters' solos and the part when Cinderella met her fairy godmother'

'The set was amazing, I loved the way it transformed into a clock to strike midnight.'

'It was an incredible experience - I enjoyed the challenge of trying to decipher words from the French songs and then checking my understanding on the English surtitles.'

Year 6 try their hands at Pizzas!

On Tuesday, the whole of Year 6 went on a trip to Pizza Express. There, alongside practising their skills of collaboration, of applying a methodical approach and of persistence, they learnt to make pizza after experimenting with ingredients and learning about the history of the dish.

Some loved the ingredients they used...

Some not so much...

Some loved the hot peppers!

Some not so much...

But everyone had a wonderful time and full bellies come the end!

Year 1 visit Worthing Museum and Beach

We had a wonderful time visiting our local museum to learn about 'Seaside Holidays in the past'. We dressed up in Victorian clothing and looked carefully at the shoes worn by Princess Amelia when she visited Worthing a long time ago.

We created our own Punch and Judy puppet shows and scoured the beach looking for all sorts of shells and stones. We even had time for a walk along the pier!

All of the children participated so well and were very sensible so they all got a Head Teacher Award!

Year 4 visit Lancing College Equestrian Centre

Year 4 children went to the Lancing College Equestrian Centre for an activity morning where they learnt all about tack, grooming and how the horses are looked after in their stables. This was followed by a ride in the outdoor arena.

They had a wonderful time and our thanks go to the Equestrian Centre staff who looked after us for the morning.

U11 Modern Biathlon at Lancing College

Five children from LPW made great efforts in this event which comprised a 50m swim and a 1km run over a tricky track. All the children swam and ran well and produced some good combined times. The best 4 combined scores were then added together for the overall result. We came a creditable 4th place out of 6 teams. Well done to all the children who took part and thank you to the parents who came to support us.

U10 Girls' Hockey v Brighton and Hove Prep School

Well what a game this was! The girls really took on board what they had learnt in training and put it into practice. They were driving forward with the ball and passing when needed. As soon as the ball was in the D they took their shots and this really paid off. In defence, they made some awesome tackles, prevented BHPS from scoring and worked hard to clear the ball quickly and out wide.

A super game with great team work led to a 4-0 victory for LPW. Well done to all the girls. Player of the game: Grace W

U8 Girls play their first-ever netball fixture

The girls gained valuable experience from their first match. They tried hard, really listened to the instructions and began to link passes well but struggled to get the ball into the D. As the game went on, they worked well in defence and marked closely. There were some super interceptions to gain possession and our shooter worked really hard in the D and was unlucky not to score. Well done to the girls for a really good first game and thank you to the parents who came along to support the team. Player of the game: Kimberley L.

Colts play Seaford College

There was some brilliant football on display and the Red Team won 5-3 with impressive goals from Will O'B, Marley R and Oscar S that put LPW in the driving seat. Jonah McL made his first appearance for the team in goal and remained cool and calm, thus he is Player of the Match.

The Blue team played two games, losing the first narrowly 0-1 and winning the second 2-0. Player of the Match was goalkeeper Charlie G who performed well in both games.

House Points

It was all change in the house point rankings announced on Monday 15 October!

Saxons	253
Celts	240
Britons	232
Normans	209

Saxons have moved top of the leaderboard but we are sure that the other three houses will be fighting back after half term!

Congratulations!

Sophia B in Year 5 competes in Trampoline League and recently put in a super performance to book her place in the League finals which take place at the English Institute of Sports centre at Sheffield in November. We wish her all the best.
