

Mix Up Christmas

This year's Pre-Prep Nativity is a recipe for success

The Pre-Prep children mixed up a wonderful start to the Christmas celebrations this week with their performance of 'Mix Up Christmas'. They told the story of three chefs who have to work out the ingredients for a perfect Christmas after the recipe their Head Chef has given them gets covered in pasta sauce. Despite mixing in items such as presents, Christmas trees and even Father Christmas (to name but a few) the mixture doesn't taste quite right until some carol singers tell the chefs the story of a special night in Bethlehem. The children have worked so hard in rehearsals, hugely impressing their teachers with their commitment, and on the day every child performed beautifully, enthusiastically singing, dancing (and mixing) their way through the show in front of a very appreciative audience. Well done to Pre-Prep - you were **MAGNIFIQUE!**

Our wonderful Nursery angels!

LPWA Christmas Fair

LPW was buzzing with a wonderfully festive atmosphere at our LPWA Christmas Fair last week. Santa and his elf helper were busy in the Grotto.

The school is so lucky to have such a supportive parent body and our thanks go to our new LPWA chairs Jane, Sandi and Karen, who have taken on the baton from our retiring parents who did such a fabulous job for the LPWA.

Masterchef Kenny returns

Year Two made Christmas Turkey Burger Sliders with Kenny Tutt, Masterchef winner 2018. Here they are enjoying the results of their efforts.

LPW Coders try out programming

The Years 4 & 5 coding club went to the Apple Store in Brighton's Churchill Square to test their programming skills. They used block coding to control Sphero robots in lots of different ways. They were quick to understand the instructions they needed to give their Spheros, using the Apple Store iPads, to enable the robots to navigate their way around a course set up in the Store.

The children received participation certificates and are looking forwards to further events we hope to plan later in the school year.

Making a Difference: Year 7 team begin work on how our school community can improve the environment

Sophie W (Year 7) recently attended a Worthing Town Council Meeting to support the presentation of a petition requesting that Worthing become a plastic-free town. She is pictured above at the Council Chambers with Dr Becca Cooper.

We now have a team of passionate advocates for the environment in Year 7 and, following Sophie's initiative, they are working together to inspire their peers to be more environmentally conscious and thereby make a difference. We are looking forward to hearing their suggestions.

Jonah McL shows off his swordmanship skills

Jonah in Year 6 fences on Fridays at school with Paul Beasley and also fences on a Sunday with Worthing Fencing Club.

Mr Beasley recently organised a tournament hosted by the Tunbridge Wells Individual and School Team (TWIST) and invited Jonah to attend. On the day, he represented LPW (in a scratch team with some other children).

Jonah's team beat the team who came second but narrowly missed out on a medal and came fourth overall.

In his individual stages, he won seven of his matches, drew one and lost four. Many of those he was competing against were three or four years older than him so we are very proud of his achievements.

Saxons have finished the term top of the leaderboard with Britons and Celts neck and neck in second place. Normans added significantly to their previous total. Let's see what they can do next term!

Cal on Parade!

The High Sheriff of West Sussex recently held an event for the Mayor and Junior Mayor of Worthing.

Cal N in Year 7 is the Sheriff's step-grandson and was invited to take part in the parade. Cal was very proud to carry the ceremonial sword through the town and he presented it to the vicar at the Town Hall.
