Piper S, Izzy B, Emma S, Nerea K-M, Ava W, Bethan E, Amelie K-M, Amelia G, Sophia B, Isaac R, Louis B, Pippa S, Grace T, Phillip C, Riley T, Eddie B, Zain B

Any students who would like a copy of the backing music should bring in a blank CD or pen drive to Mrs Goodson.

#### World Book Day 2019

In celebration of World Book Day on **Thursday 7 March**, we would like all children from Nursery to Year 5 to come to school dressed as their favourite character - from a book they have read.

Dressing up is fun, but it is very important that we focus on the books in the hope that we will encourage our children to be adventurous in their reading choices and learn from each other. To that end, all children should bring in their favourite book from home to share with the class. The teachers will do the same!

Children in **Year 6** have Bikeability next week, so should come into school in their PE kit as normal all week.

Children in **Year 7 & 8** have a trip to Lancing College on this day, to see a musical theatre production of Legally Blonde. Therefore, we ask that they **come to school dressed in their school uniform**. They should, however, come prepared to talk about their favourite character from a novel which they have read recently.

### Reception pupils encounter exotic beasts in the classroom!

Phil from *Jaws and Claws* came to visit with a wide range of animals for the children to see and touch. Sadly the snake was in the process of shedding his skin which makes him grumpy when handled so he wasn't allowed to visit. However, the children did meet Jenny the hissing cockroach, Dave the Giant African Land Snail, Eddie,

a female bearded dragon who liked to eat locusts, Tina, a tenrec from Madagascar who looks like a tiny hedgehog but is actually a member of the elephant family and Graham, a tiger salamander, who can regrow his limbs if they get damaged. Buster, a tree frog, climbed up the side of the cupboard and sat on Esmee's head and the children loved

Winnie and Lola, the two large tortoises. The children were also lucky enough to meet Lucy the scorpion who stayed in her box while we looked at her!

Some of the children were a little hesitant to touch the animals at first but quickly gained confidence. The children impressed Phil with their knowledge of reptiles.

### Year 3 investigate mummification

Historians from Horsham Museum visited Year 3 to talk about some of the ancient artefacts in the museum. These included jewellery and other items, which the ancient Egyptians believed would have been taken into the afterlife by those who were buried. They also explained the mummification process and the children had the chance to extract 'organs' from a doll and put them into canopic jars. They then bandaged the mummy and placed it into its sarcophagus. It was a great experience and complemented our Ancient Egypt topic brilliantly.

### Year 4 take on a Maths Challenge

On Thursday, John, Martha, Imogen and Oliver from Year 4 went to Christ's Hospital for a Maths Challenge.

They had a great afternoon completing mathematical challenges using dice, tangrams, dominoes and number riddles.

With 38 schools represented, they didn't make the top 3 places but they still performed brilliantly; persevering and collaborating through some extremely challenging problems.

### LPW Pupils shine at Worthing Arts & Music Festival

Our pupils have worked very hard with our visiting Drama teacher, Mrs Howard, to prepare for this year's competition.

Well done to Izzy B who was placed first in the *Solo Verse 10 Years* category and third in the Prepared Prose Reading category, which puts her second overall in her age group and qualifies her for the finals day on 3 March. We wish Izzy all the very best of luck!

In the *Solo Verse 5 Years* competition, Vivian B took first place, with Olivia H and William B in joint third place.

Grace Craig and Piper S were thrilled to be placed first in the *Improv Duologue 12 Years* competition. Third place was gained by Amelie K-M and Amelia G.

Grace T took third place in the *Speaking Your Own Poem 11 Years and Under*.

Well done to everyone who entered; they all acquitted themselves well and were a credit to the school. We are so proud of them all.

### House Points Update

**Saxons 416**    **Normans 349**    **Celts 286**    **Britons 265**

Saxons are top of the leaderboard this week with Normans in second position. Celts and Britons will be looking to improve their scores next week.
