The Reception children had a great time on their visit to Broadwater Library. Frances the librarian talked to them about the library and all the different books they could choose from: picture books, reading books, puzzle books, information books and even audio books. She explained how the information books were kept in a certain order and that you had to look at the number on the book to find out where to put it back. The children then had time to choose and read some of the books. The children who had brought their library cards to school were able to use the machine to borrow a book to take home. Finally Frances read us a brand new (just arrived) story called ‘Penguinaut’ about a penguin who wants to travel to the moon. It was brilliant!

The children were beautifully behaved throughout the trip and made Mrs Stephens and Miss Perryman proud when telling Frances all the space facts they had learned!

**Bikeability**

Cycling instructors came into school to teach the skills of signalling, right of way and safe conduct to the children.

After a short time on the playground, the whole of Year 6, alongside a handful of teachers (some more wobbly than others) took the brave step of venturing out on their bikes on the traffic-filled roads!

They were incredible: listening well, concentrating, being respectful and it was no surprise when each graduated at Level 2 (the highest level possible).

“It was so good to get out. I was a little nervous going on the roads but am now much more confident!” – Huxley

“Because of the training, I felt relaxed and able and I even rode all the way home on Friday night! A great week.” – Morgan

“The instructors were great, they encouraged us when we were scared. At the start of the week we couldn’t signal but by the end we were pros!” – Piper and Isaac.

**LPWA Quiz & Curry Night**

Parent and staff teams had a very enjoyable evening with a fun quiz and a delicious curry prepared by our chef, Steve Skinns.

The winning team (the teachers!) were rewarded with chocolate oranges and the losing team received wooden spoons. Both are pictured below.
