### Reception visit Arundel Wetlands

The day began with pond dipping. The children were keen to use the identification books to learn the names of the small creatures that they found and excitedly shared their discoveries with each other. Highlights included a water hoglouse, water boatmen, snails, damsel fly nymphs and a newly emerged damsel fly with wet wings!

Next we moved on to the wildlife

garden, starting off in a secret glade where the children used the three senses that wildlife use to help them find food, decide where to live and stay safe in their habitat.

They learned the sounds of five birds: robin, blackbird, lapwing, blue tit and owl. Next the children used their sense of smell on herbs in pots. Finally they had to use their sense of sight to find colours

around the garden and create an artist's palette of different colours.

After lunch we went to feed the ducks, then walked around part of the wetlands reading the signs and spotting dormice nesting boxes and tubes, corrugated iron where grass snakes might be hiding and water vole latrines! The children enjoyed using the 'spotter guides' to identify different birds as we

moved around the site. There was just time for a quick play in the playground before heading back to school.

The children joined in with all the activities with enthusiasm and were complimented on their exemplary behaviour. Many thanks to the parents who came to help.

### Year 1 visit Highdown Gardens

Year 1 had a fantastic time at Highdown Gardens. We went exploring along lots of different footpaths and saw a whole range of different colours, shades and shapes when looking at the plants.

We saw a variety of wildlife at the pond and had a delicious picnic under the trees in the orchard.

We even had time to complete a few sketches of some very interesting plants.

### Year 2 visit Marwell Zoo

The children had a super day at Marwell Zoo! They had an opportunity to see the African animals they had been learning about and explore their habitats and diets. There was also a workshop, and the teacher was very impressed with the children's prior knowledge. Do these meerkats look familiar?

### Lancing College Chorister Day

Ten of our Chamber Choir musicians took part in the annual College Chorister Day at Lancing College. The students joined other students from other local Prep school to learn the music for the afternoon performance before

being joined by the Lancing Chapel Choir for a final rehearsal. The afternoon ended with a wonderful performance and service in the Chapel attended by parents and friends.

### Musical Soirée

Our third and final Prep Soirée of the year was a wonderful celebration of all the students' hard work and an opportunity for them to perform pieces from their upcoming exams in June. With music performed across a wide variety of genres, the musical development of our students was evident in both group and solo performances.

### Year 6 Scientists undertake Lancing College competition

Twelve Year 6 children took part in this year's Lancing College Science Challenge. The children were set various challenges in the subjects of Biology, Chemistry and Physics, competing with other local Prep schools for the prestigious trophy.

Our pupils were very keen to engage with all of the experiments on offer and were proactive participants within their team. One of the tasks set involved creating a marble run which allowed a marble to fall from start to finish over a ten second duration; needless to say, all children enjoyed the physical nature of this task!

# LPWA

Lancing Prep at Worthing Association

Dear Parents & Guardians,

As you will know, Father's Day is on Sunday 16<sup>th</sup> June. We are offering a gift for the pupils to purchase, if they wish. We don't want to spoil the surprise, but the small gift will need either some artwork, done by the pupil at home, or a photo in its place. The cost is £2.00 each, with all profit going to the LPWA fund.

The gift will be sent home in a gift box ready for your child/children to decorate.

If your child would like to purchase this surprise gift, please fill out below and return to the School Office by no later than **Wednesday 7<sup>th</sup> June**.

This gift would also be lovely for grandpas and other special people, so please free to order more than one.

Any questions, please just email us on [lpwassoc@gmail.com](mailto:lpwassoc@gmail.com)
