### Welcoming the month of May

The Nursery children and their parents celebrated May Day. Dressed in crowns of flowers the children and parents danced around the Maypole to the wonderful jigs and reels performed by Grace S, Nerea K-M and Emma S on their violins. Next the children and parents sang traditional songs together on the nursery lawn with our very own Green Man made by the Art Department before enjoying tea and maid of honour tarts from the kitchen.

Nursery, Pre-Prep and Year 5 children were treated to a visit from The Sompting Village Morris Dancers. They explained the history of Morris Dancing and then performed a variety of traditional English village dances, including *Haste to the Wedding* and *Bideford Bridge*, accompanied by an accordion and a lager pole. The Morris Dancers were so enthusiastic that children and staff were easily persuaded to take part in dancing and weaving the May Pole.

### Dance by Design

Following the official opening of the new Lancing College Dance studio, eleven LPW dancers performed in the Lancing College 'Dance by Design' show. They had worked hard on their piece entitled 'Feel it Still' choreographed by Dance teacher, Miss Maria, and clearly enjoyed the sense of occasion on the stage in the Lancing College theatre.

It was a wonderful experience for them to dance alongside the College pupils and for parents to see how the grounding in dance at the two College Prep Schools creates a platform for continuing and developing dance for the pupils who progress to the College.

### Year 7 visit Chichester Cathedral

Year 7 travelled to Chichester to take part in a service for all Sussex Woodard schools. After rehearsal of the hymns, the service was led by the Bishop of Chichester with co-celebrants the Woodard Senior Provost, Canon Brendan Clover, and our Chaplain, Father Richard.

Children from both Lancing Prep schools read the prayers of intercession clearly and thoughtfully and the voices of the pupils from all the schools combined beautifully in the hymns.

The theme of the service was 'affirmation' and we certainly returned to school uplifted and inspired.

### Easter Ski Trip to Italy

At the start of the Easter holidays, our party of staff and 40 excited children, from both Lancing Prep Worthing and our sister school in Hove, set off on our annual ski trip to Bormio in Italy.

We couldn't wait to put our skis on and hit the slopes. We met our instructors to begin the week's lessons, which were fantastic. The group enjoyed themselves thoroughly; every skier improved dramatically – some went from never having skied before to skiing down

the pistes with ease and the more advanced skiers made great progress. The slalom race was thrilling!

Away from the slopes, we enjoyed fun evening activities, with karaoke and a disco. Everyone experienced 'proper' Italian food and ate delicious pizza in an authentic pizzeria. It was a fantastic week of fun, snow and skiing for everyone. We hope to be back in 2020.

### Forest School begins!

Nursery have had their first Forest School Session in a small woodland area in the grounds of Lancing College today. An integral part of Forest School experience is that children will be outdoors in all weathers – and we were! Children, and staff, enjoyed exploring their new area.

## Pre-Prep Head Teacher Awards

Week ending 03 05 19

### Reception

Ben for his enthusiastic engagement with all activities  
 Esmee for out of the box thinking during exploratory water play  
 Hunter for amazing reading
