News Bulletin

13 October 2023

Nursery

Last week, our budding young chefs showcased their culinary skills as they made apple and cinnamon muffins with apples brought in by one of the children.

Reception

Reception went on their first school trip this week. They became 'food detectives' and walked to the local Co-op to investigate where the fruits and vegetables there were grown. They were excited to find that many were grown in Britain. Back at school, they used Google Earth to look up the countries where some of the fruits and vegetables came from. The furthest was apples from New Zealand! The children were beautifully behaved throughout their visit, and we were very proud of them.

RSPB Wild Challenge

Reception children are taking part in the RSPB Wild Challenge this year, aimed at helping children connect with and learn about nature. They went on a minibeast safari this week, where they found a very wiggly centipede!

Year 1 Helicopters

Year 1 children have been collecting sycamores in the playground for their autumn table. They collected so many and wanted to see if they could fly like helicopters.

Year 3 discover the Stone Age

Recently, Year 3 children took part in Stone Age Day. We welcomed in Portals To The Past, who ran the day. The children took part in workshops that helped them understand how the people of the Stone Age survived, how they hunted food, made fire, and built Stonehenge. They all had a great day. A big thank you to the Lancing Prep at Worthing Association for funding this experience.

Following Stone Age Day, the class took part in a debate. One side debated for living in the Stone Age; the other voted against living in the Stone Age. The opposing team won with some strong arguments, including: if you get sick, there's very little help for you (no healthcare).

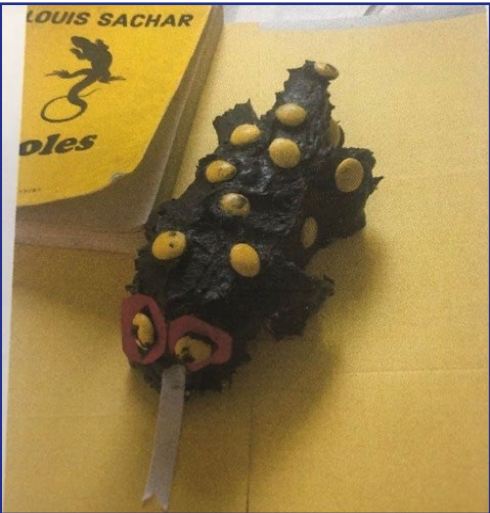

School News

Year 7 English Comprehension Task

Year 7 pupils were given the freedom to choose their own method of answering an English comprehension task: using an author's text to accurately portray a character.

We received many superbly crafted artistic responses. Our budding Junior Great British Bake Off hopefuls produced flapjacks in honour of The Great British Bake Off #biscuitweek, individual chocolate cakes (that were unfortunately eaten by a cat), and a magnificent 'show stopper' from one pupil who modelled their lizard from fondant.

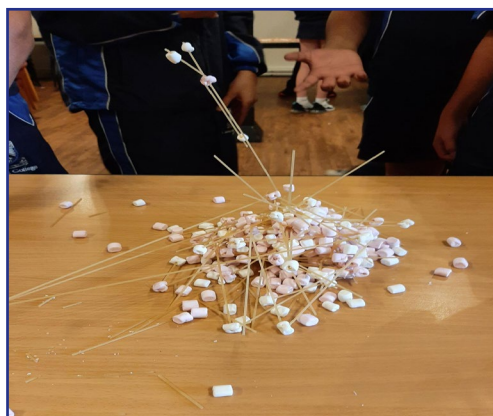

Year 7 & 8 Team Building

Year 7 had to place all the feet of the four members of their team on a piece of newspaper. Most tried to do it standing, but they couldn't fit all the feet. They were then shown the strategy and asked to redo it now in teams of eight.

They were also asked to make the longest length using newspaper in 3 minutes. Bryce was the only person to spot the correct strategy. Well done, Bryce. The record has been over 30 metres in groups of eight!

Year 8 had to build the tallest marshmallow tower out of spaghetti and marshmallows. They then moved on to making sentences out of a newspaper, using only one word at a time.

Black History Month

Black History Month is an important time to learn more about Black History. Last week, Bertie, Leila, Yuvraj, Devon, Ryley, William, and Abhi from Years 7-8 delivered the Black History Month assembly. Following on from this, we will then create a wall of Black History Month heroes!

Cyber First Girls Competition

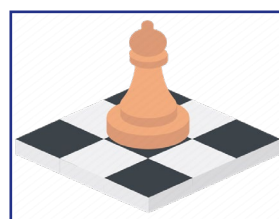

We are excited to announce that we are taking part in the CyberFirst Girls Competition, aimed at inspiring girls interested in technology to pursue a career in cyber security.

Representing the school are Eva M, Ruby H, Leila F, and Lexi P, all in Year 8. They will be tackling different challenges to win prize money for the school! Good luck, girls!

New Clubs

We are adding two new clubs to our already vast programme: Chess Club Years 4-8 and Junior Quiz Club Years 4-6.

National Poetry Day

Last Thursday was National Poetry Day, and the pupils celebrated in style.

Year 8 pupils became ‘pop-up’ guerilla poets, bursting into classes and reciting poetry aloud to pupils and teachers. Mrs Milling was treated to Shakespeare’s sonnet 18. All smiley headteachers should be compared to a ‘summer’s day!’

Mr Richards was taunted with a poem about Fulham. While Mr Payne was read a poem about Arsenal from a Tottenham fan! Mrs Goodson had a special poem about the importance of music written for her by Jessica in year 8 and she received several renditions of Happy Birthday. Mr Grimshaw and his students were treated to a ‘smack down battle’ using a Shakespearean insults poem.

Nursery and Pre-Prep had performance poems read aloud and acted by our talented pupils; they included poems about mice, ladybirds, tigers, chickens, and even ‘good manners.’

Our school was abuzz with Michael Rosen’s Chocolate Cake, Haikus, Sonnets, and everything in between. Most importantly, all our pupils had a moment to ‘stop and stare’ and experience the joy that poetry can bring.

If your child has been inspired and wants to write a poem at home, there are two competitions that they can enter: ‘This Is Me Acrostics 2023’. Young Writers (5-7 years) and ‘This Is Me 2023’, Young Writers (8-12 years).

Hello Yellow Day

This week we celebrated World Mental Health Day 2023 by supporting YoungMinds, a national charity that supports young people and their mental health. We asked children and staff to wear something yellow to help promote positive mental health in our school.

Schools News

School Guinea Pigs

Jeff and Nugget, our school guinea pigs, have been keeping busy this term. They spent a weekend at Lana's house and last weekend even spent a night with Mrs Fudge and her two daughters, Chloe and Harper. They are also enjoying all the lovely cuddles they are getting throughout the day from the children. We think they are looking forward to half-term for a well-deserved rest!

Anit-Bullying Team

Mrs Milling was thrilled to spend a morning break time with some of the LPW Anti-Bullying Team in her office. They discussed the important work that they do within our school community and Mrs Milling got the opportunity to thank them with hot chocolate. Unfortunately, some of the reps were out at sports events but we shall make sure they receive their delicious mug of chocolate very soon!

Green Team

Later in the week, Mrs Milling showed her gratitude to the LPW Green Team. It is quite remarkable all the positive change that has been introduced because of this Green Team and those before them. They play a crucial role in promoting environmental awareness, sustainability, and eco-friendly practices among pupils, staff, and the community.

Sports News

U13 and U12 Girls Hockey

Last week, the U13 and U12 girls played hockey against Sompting Abbots and won both of their games! The U13 team won 3-2, and the U12 team won 7-3. Well done to all the girls! What a fantastic result!

Netball

On Wednesday we hosted Lancing Prep Hove, Great Ballard, Shoreham College and Prebendal at our very first 'U13 From The Ground Up' netball tournament at Lancing College. It was a fantastic afternoon of netball where the players improved significantly as the afternoon progressed. LPW came 2nd only losing by 1 game. Huge congratulations to Prebendal who were the overall winners.

Football Fixtures

Last week, our U13 team won 3-2, with Devon S scoring the winner with two minutes to go. Our U11 A team lost in the final minutes of their games, however the U11 B team won 11-0 against Prebendal school.

The Year 4 boys and girls also enjoyed their mixed fun festival at Shoreham College, participating in netball and football.

This week we hosted Lancing Prep Hove, Great Ballard, Penntorpe, Windlesham House, Handcross Park, Shoreham College and Prebendal at our very first 'U13 From The Ground Up' football tournament at Lancing College. It was a fantastic afternoon of football for all those involved. LPW came 3rd out of 12 teams. Congratulations to Prebendal who were the overall winners.

We are recruiting for part-time Sports Teaching Assistants

Do you or someone you know want to be part of a fabulous sports department? We are recruiting for part-time Sports Teaching Assistants. If you would like to join our ISI-rated "excellent" school and find out more information on how to apply, please visit <https://www.lancingcollege.co.uk/prep-worthing/vacancy/part-time-teaching-assistant-sport>. Be quick; applications close 16 October 2023.

Well Done

Congratulations to Ruby H, who recently competed in a dance competition in London. She danced a lyrical dance, a ballet, a tap, an own arrangement, and a character dance. The competition was very tough, but Ruby did manage to get a 3rd place for her Tap dance.

Well done to Maisie C, who recently found out she placed in a poetry competition she entered earlier this year about water. She is named as a contributor to the Sussex Wildlife Trust young writer anthology, and she loves writing.

Maisie Coakes age 7

Water

Wonderful, wet, wobbly – water is so clear
you can see your shiny reflection in it.
You can have fish that swim gracefully in water.
If you go to the beach, you might see a crab!
Even you and me can swim deep down in a
pool or the clear blue sea!
Water is home to many creatures,
so don't litter in the sea or anywhere,
It can kill sea creatures and animals on earth.
So keep our waters and planet clean.

Ryley and Elodie G both took part in a 2km run at the Run Bournemouth Festival last weekend, raising money for the Macmillan Cancer Support charity. It's a charity event they have taken part in for the past six years. Well done to you both!

Well done to Pasha S-N, who won his match at tennis club last
