Friday 1 December

Year 4 Portals to the Past Day

17.00-19.00 LPWA Christmas Fair

LPWA Notices

Christmas Fair – Friday 1st December – 5pm to 7pm

Come and enjoy our Christmas Fair where there will be lots of stalls for the whole family.

Helpers are needed for set up from 2pm, running stalls for half an hour between 5pm and 7pm and then clearing up from 7pm to 7.30pm. You can sign up to help via Classlist app.

Raffle tickets should have come home with your child. If you need extras, then please ask in the school office. If you have an item which is suitable for a raffle prize, please donate it by leaving it in the office.

Early bird discount for the Christmas Artwork gifts ends on Friday 24 November.

News Bulletin

24 November 2023

Firework Night

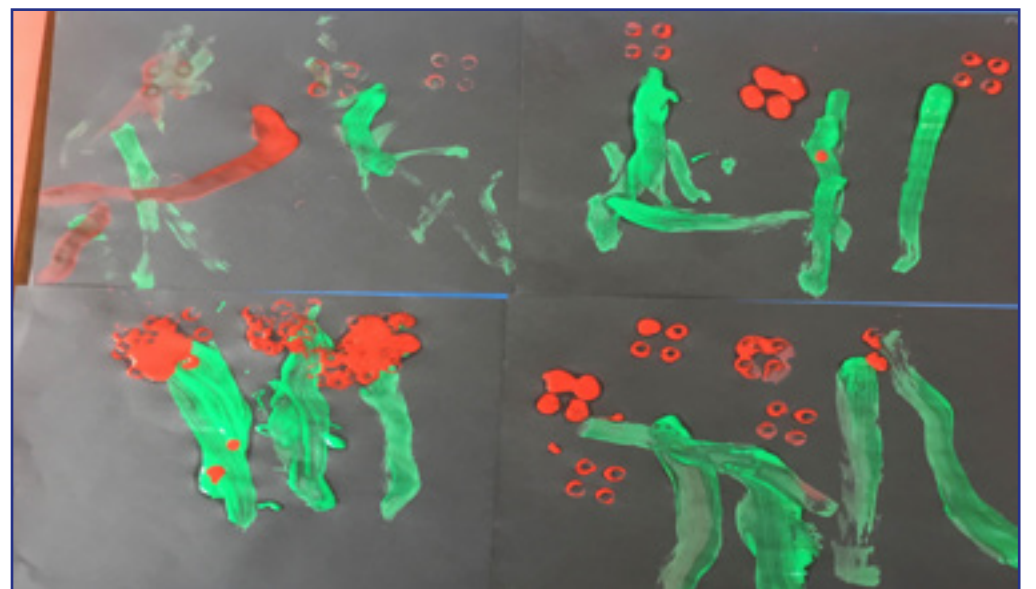

The school turned out in force on Friday 10 November for our fireworks display. It was a spectacular show. A huge thanks to our LPWA, who make such a remarkable contribution to the life of the school!

Remembrance

On Thursday 9 November, we marked Remembrance in the Eucharist, led by Father Justin, and on Friday 10 November we held a two-minute silence, which all of the children observed superbly. Four of our pupils read a poppy poem, and two pupils read a remembrance prayer.

In the Nursery and Pre-School, the children enjoyed painting their own poppies.

School News

Nursery & Pre-School, Reception & Year 2 become Firefighters!

The children had a treat when members of the Worthing Fire Station came to visit.

They talked to the children about fire safety and about the specialist equipment and clothing they use and wear. The children loved seeing the fire engine, but the best thing was having a go at squirting the hose!

BBC Children in Need

Here's our Nursery, Pre-School and Reception children having a great time dressed in spots raising money for BBC Children in Need last week! The children had a visit from Will of 'Will And The People', where they made a song for Children in Need all about Pudsey.

Thank you to all the pupils who supported this great charity, which helps support brighter futures for all children across the UK.

LPWA Book Sale

Thank you to everyone that came to our school book sale last week; we raised over an amazing £300 for the LPWA.

School News

School Guinea Pigs

4K had a lesson with Miss Bennet on Monday about how to look after the Guinea pigs. She taught the children about cleaning their cages and how to care for them. 4K have loved having them in their class and will be sad to see them go.

Year 4 & Year 5 take part in Barvember

Some of the Year 4 and Year 5 pupils have been working hard at the White Rose Education Barvember maths challenge, a month packed with maths problems for all primary and secondary age children. Well done, everyone!

Budding artists join live webinar with author Jamie Littker

Last week, some of our keen artists volunteered to join a live webinar with author/illustrator Jamie Littker. He is the author of the Frostheart Trilogy, fantasy adventure stories. Our pupils did a 'draw along' with Jamie of an animal or monster character for his new book, Arkspire.

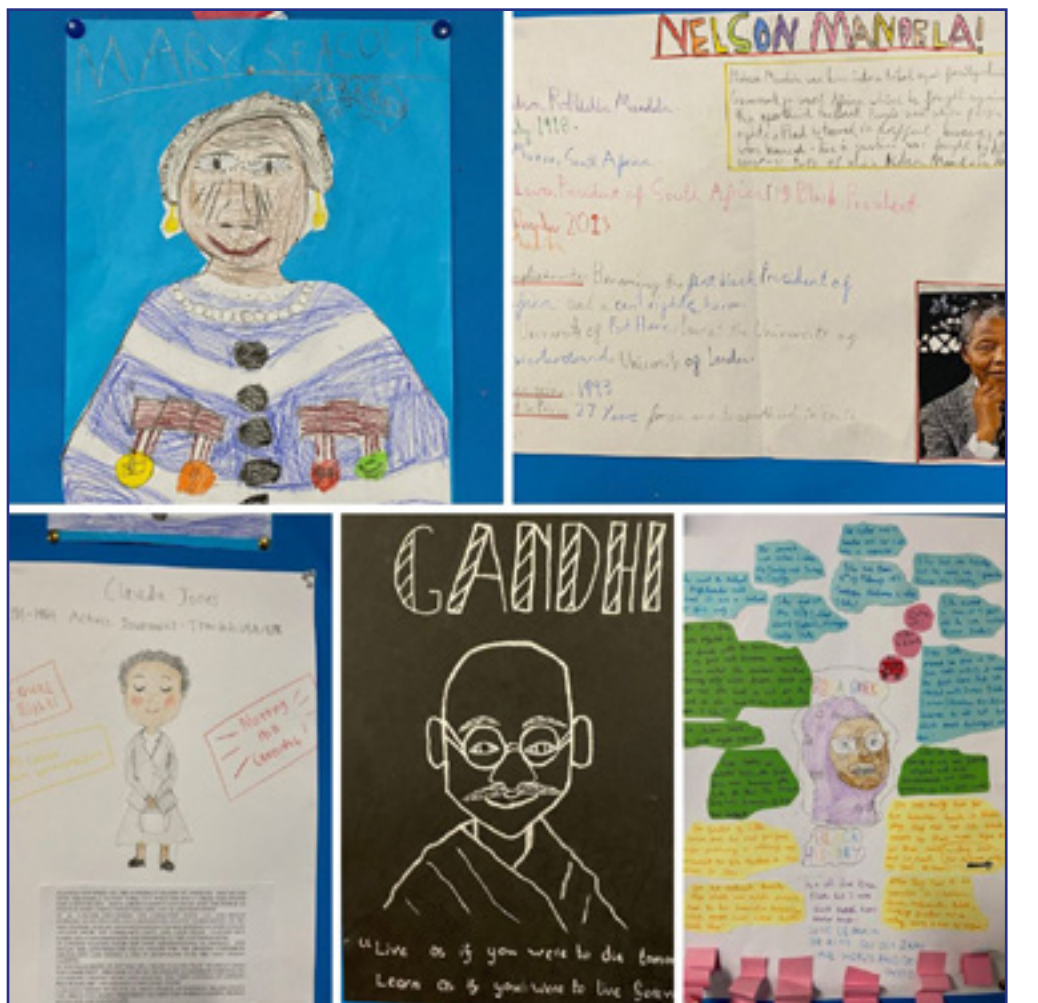

Mencap Marvel's lead assembly

Cory Reynolds from The Mencap Marvels led an inspiring and motivating assembly earlier this week about her experience swimming the English Channel. She spoke about the importance of teamwork and resilience, and all the children and teachers left feeling ready for a new week. Thank you, Cory!

Black History Month

Following on from the assembly on Black History Month, which was led by the pupils, we were so happy to receive so many posters, PowerPoints, and pictures celebrating inspirational people. From Tiger Woods to Lilian Bader, Nelson Mandela to Mary Seacole, and many more, it is terrific to see so many heroes and heroines being celebrated. There is a big display of work currently in the Humanities room. Thank you so much to the pupils who took part.

Chess Mania

We had an amazing turnout at last week's chess club, with 32 pupils attending. Well done to the Year 7 pupils, who all showed fantastic mentoring skills, calmly teaching the younger years how to play.

Year 7 Team Build

Year 7 have been busy with their team-building sessions this term.

They have taken part in pass-it-on games, where they pass the hoola hoop down the line of each team without using their hands while at the same time trying to beat the other team.

Other activities included a Halloween-themed team build where they tangled themselves in a spider web and then had to escape one by one; a jigsaw team build where each member ran up and got one piece at a time, and the quickest to piece it together won.

Most recently, they had to take one sheet of newspaper each and, in groups of 7, make the word Lancing in 2 minutes.

Year 8 Team Build

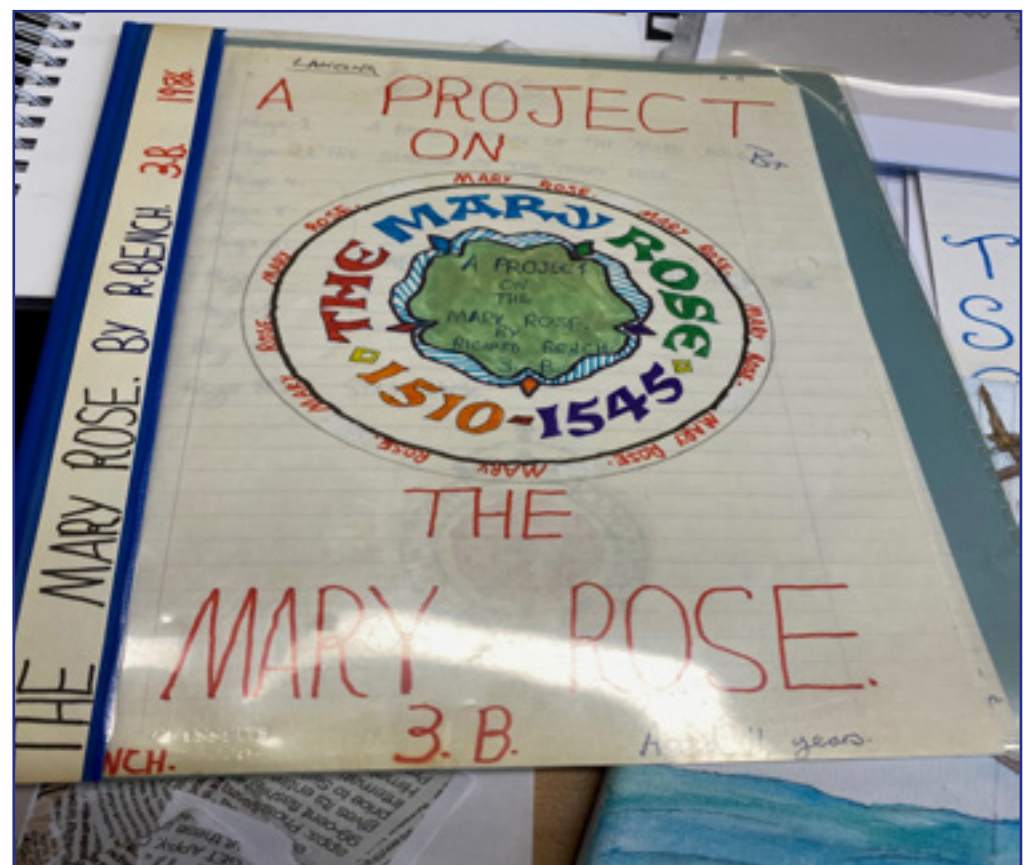

Year 8 have also been taking part in some challenging team-building activities, including dressing up a team member in newspaper clothes only using tape and scissors, building something that would float and hold coins at the same time out of silver foil using no more than 1 metre of tape and two paper straws (the winning model held 52 coins), and building towers out of shoes and then removing one shoe at a time from the pile without any falling!

Year 8 Learning about the Mary Rose

Year 8 have been learning all about the Mary Rose and creating projects about the ship. As part of their finished work, they had to deliver a creative response, and some of the things they made were rather yummy!

Ruby H was kind enough to bring in a project that her uncle had made on the Mary Rose when he was at our school in 1986!

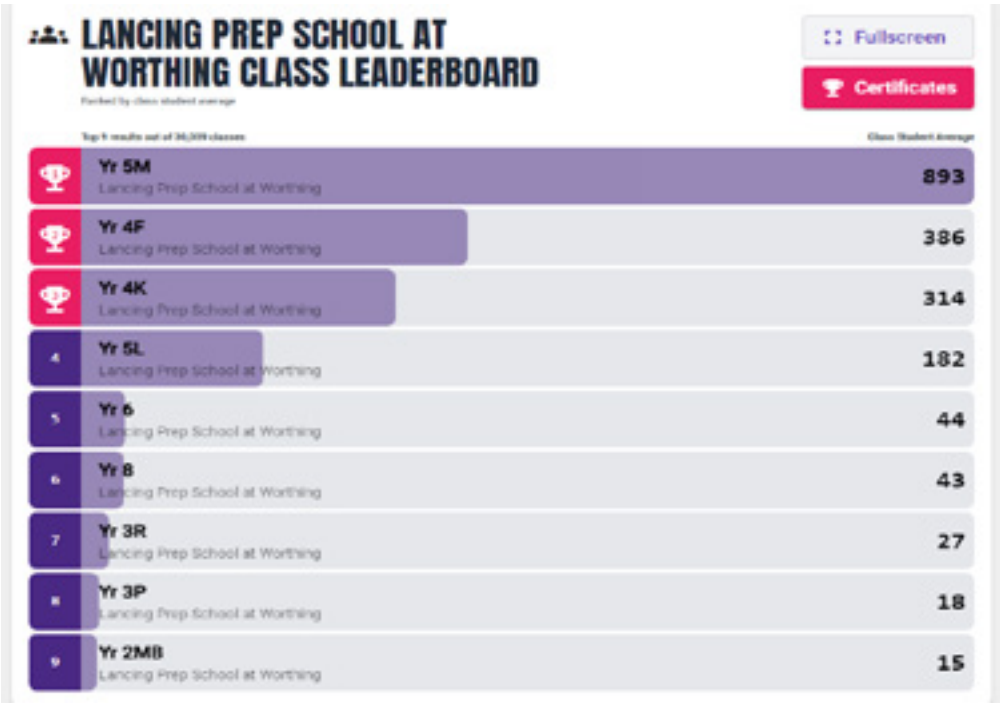

School News

England Rocks

Years 2-8 took part in England Rocks, a times table competition run by internationally renowned Times Tables Rock Stars. England Rocks required children to correctly answer as many multiplication and division questions as possible to give their class and school the best chance of winning.

The competition was fierce, with 187,079,415 questions answered collectively by 377,972 pupils from more than 4,404 schools and 70,774 classes around the country!

Our school stats were were astonishing too. We came 2013 out of 4357 schools and on average, our top class answered 269 questions correctly per pupil, with the best-performing pupil answering an amazing 4,532 questions correctly in total. Our top class, 5M, scored 8932, and our top pupil, Daniel B, scored 4532. Well done, everyone!

Movember UK

Mr Payne, Mr Richards and Mr Bell are participating in Movember UK to raise money for men's health. If you are able to donate to this great cause, please follow the link: <https://uk.movember.com/mospace/15077212>

Well done

Well done to Joshua C, who came in 2nd in the Level 4 category (age 11-13) trampolining club competition. He has also been accepted into the South East Schools trampoline competition on the 3rd December. Good luck, Joshua!
