

Dear Families,

## Open Morning

We were delighted to host a very successful Open Morning on Saturday. A special thank you goes to our wonderful children, who gave up their time to showcase all that they do with such enthusiasm, confidence and pride. We are also very grateful to parents for supporting the event and providing transport to and from school; your support is greatly appreciated.

## Reception Class to Arundel Wetlands

Reception had a fantastic trip to Arundel Wetlands on Monday, filled with exciting outdoor activities. The children enjoyed pond dipping, where they discovered a variety of fascinating creatures, and searched for minibeasts under leaves and among the trees. One of the highlights of the day was watching the pelicans being fed their lunch. They were also delighted to spot baby swans, ducks and Canada geese. It was a wonderful day of learning, exploration and discovery.

## Coffee Morning Recorder Concert for Year 3 Families

We were absolutely wowed by our talented Year 3 pupils this week. Having been learning the recorder for just five months, they delivered an outstanding concert that left everyone impressed. Their confident playing, combined with joyful singing, created a truly memorable performance.

Adding to the excitement, the children even incorporated some wonderfully choreographed dance moves (alongside a few delightfully unchoreographed moments) which brought energy, personality and plenty of smiles to the stage. It was clear to see how much effort, enthusiasm and teamwork had gone into their preparation. A huge well done to all of Year 3 for such a fantastic achievement. We are incredibly proud of you!

## LAMDA Exams

Well done to all the children who have taken their LAMDA exams this week. They have shown great confidence, dedication and creativity in their performances and we are very proud of their achievements.

## **A Week of Reading, Reflection and Academic Challenge**

Pupils in Year 7 have been taking part in some exciting “speed dating” during their English lessons this week—but not as you might expect! Instead of romance, the focus has been on reading. Pupils have been getting to know one another by sharing their hobbies, favourite subjects, sporting interests and much-loved books. Using this information, Mrs Casey and our librarian, Ms Waton, have carefully selected a personalised “book date” for each child, with the aim of matching every pupil to a story they will truly enjoy. Watch this space to see how these reading relationships develop.

Our Year 8 Da Vinci group have been working diligently in preparation for their end-of-year assessments. Meanwhile over in Year 8 Jemison, pupils have embraced “The Great Academic Challenge.” Having completed their scholarship examinations, they have certainly not been resting on their laurels. Instead, each pupil has taken on the role of teacher, planning and delivering their own lessons based on personal interests. So far, topics have included sports technology, drawing with oil pastels, ethical debates, and a particularly popular session exploring how board games such as Dungeons & Dragons can foster creativity. Delivered in their English classroom, these pupil-led lessons have helped to build confidence, strengthen oracy skills and deepen appreciation for the art of teaching itself.

## **Year 3 and 4 Overnight Camp at LPW**

This evening, our Year 3 and 4 pupils will be experiencing their much-anticipated overnight camp at LPW. We hope the children have a wonderful time, enjoying new experiences and making lasting memories with their friends. A huge thank you to Miss Townsend, Mr Marshman and Mrs Salisbury for organising and supporting this exciting opportunity for the children.

## **Lancing College Second-Hand Uniform Sale**

Lancing College are holding a second-hand uniform sale in the Megarry Room for Lancing College uniform on 7 and 8 July from 10am to 3.30pm. All are welcome.

### **w/b Monday 25 May**

Half Term

Tuesday 26th-Friday 29th May

Holiday Club running for LPW children in Nursery to Year 2

# LPW News

## **Congratulations to:**

Leah B who won an award at Worthing Hockey Club at the end of season awards ceremony for the U12's, which is impressive as she is only 9.

Rufus P who had the amazing opportunity to sail with one of the world's best sailors at Worthing Sailing Club, and he was thrilled. During a friendly race organised by the club, Rufus helmed the boat and they won.

Everyone in Years 6, 7 and 8 who took part in the recent UK Junior Maths Challenge. We achieved highly as a school and individually. Special congratulations to: Madhavan R, Emily T, Damian B, Oscar W, Nicholas M and Vivian B who received bronze certificates, Chelsea T, Cody M and Ashley C who received silver certificates and Francesca G, Beau H and William E who received gold certificates. Chelsea T also won the Best in Year 6 award, Francesca G the Best in Year 7 award and Beau H the Best in Year 8 and Best in School award. Francesca has been invited to the UK Junior Kangaroo and Beau to the Junior Mathematics Olympiad, and we wish them both the best of luck!

I wish you a very happy weekend.

Best wishes,

Francesca Milling
