

Dear Families,

Wednesday Evening: Years 7 and 8 at LPW

Thank you to all the parents who attended Wednesday evening, where we shared an overview of what Years 7 and 8 look like at LPW. We hope you found the session informative and helpful.

Please find the PowerPoint slides below. While they do not capture the full detail of the discussion, they provide a useful summary of the key points covered.

On Tuesday 16 June, there will be time allocated straight after the Book Look at the Year 6 to Key Stage 3 Transition Meeting for you to speak with members of the team if you would like to find out more about our Jemison and Da Vinci curriculum pathways. These pathways are designed to support all pupils to flourish, to be positively challenged and to achieve their full potential.

We look forward to continuing to work together to support your child's learning journey.

Year 3 Trip to Weald and Downland Living Museum

On Monday, Year 3 enjoyed a memorable trip to the Weald and Downland Living Museum. The children had a wonderful opportunity to step back in time, exploring historic buildings and learning about life in the past through hands-on activities. They showed great curiosity and enthusiasm throughout the day, asking thoughtful questions and fully embracing the experience. It was a valuable and enjoyable visit that brought their learning vividly to life.

Summer Soirée

We were delighted to host our Summer Soirée on Monday evening, which was a wonderful showcase of the breadth of talent across the school. Pupils performed with confidence and flair, sharing a wide range of musical pieces that reflected both their dedication and enjoyment. It was a joy to see them support one another and take such pride in their performances, and we are very grateful to staff and families for helping to make the evening such a special celebration of our pupils' growing talents.

News

Friends and Families of LPW

A sincere thank you to the Friends and Families of LPW for hosting the Parents' Association meeting on Tuesday evening. We are very grateful for the time, energy and commitment shown by everyone involved. Your ongoing support plays a vital role in strengthening our school community and enhancing opportunities for the children, and it is always a pleasure to work together in such a positive and collaborative spirit.

Drama Workshop: Peter Pan's Neverland Adventure

On Wednesday our Nursery, Pre-School, Reception, Year 1 and Year 2 children took part in a magical drama workshop inspired by Peter Pan's Neverland Adventure. The session was full of imagination, creativity and storytelling, as the children immersed themselves in the world of Neverland.

Through role play, movement and interactive activities, the children developed their confidence, communication skills and love of performance. It was wonderful to see their enthusiasm as they embraced the characters and brought the story to life. A truly memorable experience for all involved!

Bannister Mile

This week, Mr Payne led our Prep School assembly to introduce the children to the Bannister Mile, our annual charity event taking place on Monday 29th June, which raises money for local charities. During the assembly, the children learned about Sir Roger Bannister and his historic sub-four-minute mile, as well as our school's connection to him and his wife, who kindly wrote back to us before her sad passing in 2022.

Mr Payne also unveiled the official Bannister Mile 2026 poster, which includes a QR code linking to the House charity pages. He explained that pupils will run five laps of the school field, approximately one mile, and can choose to take part either as a fun run or as a competitive race. Children are welcome to wear fancy dress if they wish, provided it is appropriate and they are wearing sensible footwear.

To round off the afternoon, parents and other adults will also have the opportunity to take part in running a mile.

Spring Term 100 Club Treat

Pupils who achieved 100 House Points last term were rewarded with a special cookery session with Mr Bell on Thursday. The children thoroughly enjoyed the experience, working together to create delicious protein balls while developing their practical skills and creativity.

Year 5 pupils to Lancing College Arabian Nights Play

Our Year 5 pupils enjoyed a wonderful visit to Lancing College on Thursday to watch their production of Arabian Nights. The performance (filled with LPW alumni) was vibrant, humorous and full of energy, bringing the classic tales to life in a truly engaging way.

The pupils were an excellent audience and thoroughly enjoyed the experience, gaining inspiration and a deeper appreciation for live theatre. Visits such as this enrich our curriculum and provide memorable opportunities for pupils to experience storytelling in a new and exciting context.

Numbers Day

Our whole school Numbers Day today was a truly joyful celebration of learning, with pupils across every year group immersing themselves in a wide range of brilliant, hands-on mathematical activities. From problem-solving challenges and engaging games to creative investigations, the children demonstrated enthusiasm, teamwork and a real curiosity for numbers. It was wonderful to see such confidence and enjoyment in Maths throughout the day. The celebrations were perfectly rounded off with a special BBQ lunch on the field, where everyone came together to relax and enjoy the beautiful sunshine. The shared sense of community, laughter and togetherness made it an incredibly special occasion that will be fondly remembered by both children and staff alike. A special thank you to Mrs Fudge, Ms Welsh and the entire team.

Summer Fair

Our Summer Fair is being held on Saturday 20 June from 2-5pm and the Friends and Families of LPW need your help! Raffle donations in the form of any unwanted gifts in good condition, a voucher from your business or from a local business would be gratefully received. For the hamper raffle, each year group has been assigned a colour theme, and they'd love donations in those colours such as:

- Food treats (please check dates and avoid chocolate in case of warm weather!)
- Drinks and goodies

LPW News

- Toiletries
- Toys
- Stationery
- Anything colourful, fun and hamper-worthy!

Year group colours as follows:

- Nursery - Red
- Reception & Year 1 - Yellow
- Year 2 - Pink
- Year 3 & Year 8 - Green
- Year 4 - Purple
- Year 6 - Orange
- Year 7 - Blue
- Year 5 – Any of the above colours

They'd also be very grateful for any clean, good-condition teddies and soft toys.

All donations can be dropped off at the school gate during the first week back after half term.

If you'd be happy to display a Jacobs Steel branded board outside your home to help advertise the Fair, please let your class rep know ASAP.

They will also be holding a non-uniform day on Friday 19th June in exchange for a bottle for the bottle tombola.
