Well, **THAT WAS FUN!**

We loved introducing your child to the confidence building world of Perform today. And guess what, it's just the beginning...

Play is a **POWERFUL THING**

Perform classes help boost children's **confidence, concentration, coordination** and **communication** skills, as well as being lots of fun.

Our expertly designed drama, dance and singing sessions for 4-7s and 7-12s are run by experienced teachers, hand-picked for their warmth and approachability.

They'll be with your child every step of the way – inspiring and encouraging them to develop vital life skills as they discover the joy of performing.

“ We couldn't be happier with William's Perform experience. We signed up to boost his confidence and it's making a wonderful difference.” - Samantha Nye

What does Perform offer?

- Performing arts-based games and exercises
- Focus on a different social skill each week
- Small classes and feedback on your child's progress
- Specially created scripts, videos and apps
- End of term presentation for family and friends
