

Dear Families,

What an incredible week of sport at Lancing Prep Worthing! Our pupils showcased fantastic determination, teamwork and enthusiasm across cricket and swimming. From thrilling final-over wins and standout individual performances on the cricket pitch to impressive efforts in the pool, there's so much to celebrate!

On Wednesday, all our cricket teams faced Pennthorpe School, delivering a range of excellent performances across different age groups. The highlight was the U13B match at Lancing College, where they clinched a thrilling final-over victory. Ben S finished strong with a flurry of boundaries, while Beau's incredible catch in the deep field was a real showstopper. The U13A team also played brilliantly in a hardball fixture, narrowly missing out after valiant all-round efforts from Esmee and Pippa, supported by some strong bowling from Freddie B.

Our U10 teams travelled to Pennthorpe and delivered competitive performances, resulting in a tie and a narrow defeat. Asher was outstanding with both bat and ball, hitting the only sixes of the match, and Florence W impressed in the field with fantastic catching. Jasper H also made his mark with some powerful boundary shots.

Thursday's fixtures saw more exciting cricket at Pennthorpe. Toby C and Rory B adapted well for the U9As against tough opponents, while the U9Bs almost secured victory thanks to Elijah's resilient innings—despite an injury scare, he recovered quickly to strike several boundaries. Xanthe earned Player of the Match for the U9Cs after delivering an excellent all-round performance. Meanwhile, the U9Ds shone indoors, with Aria and Daisy M

showing great skill and teamwork.

What an amazing week of sport—well done to all our pupils for their hard work and sportsmanship!
