

Dear Families,

Thank you to everyone that attended last night's admissions talk with Hilary Dugdale. Please see notices for a copy of the slideshow slides.

House Meetings – Saxons, Normans, Celts, Britons

This week our pupils met in their House groups for our House Meetings, and what a success they were! It was wonderful to see such enthusiasm, teamwork and positive contributions from all year groups. The meetings provided an excellent opportunity for pupils to share ideas, celebrate achievements and work together towards future House events and challenges. Well done to everyone for making the meetings so engaging and productive.

Allergies and Anaphylaxis

On Monday, I had the privilege of speaking to our pupils in assembly about allergies and anaphylaxis, helping to raise awareness of a medical condition that affects many children and adults, and highlighting the importance of recognising symptoms and responding appropriately in an emergency. I was incredibly impressed by their maturity, engagement and the thoughtful, intelligent questions they asked throughout the session. It was wonderful to see such genuine curiosity and understanding of an important topic that can affect many people in our community. If you would like to watch the video that I shared with them, please see the link: <https://www.youtube.com/watch?v=-ulwsiGR364>

Individual and Sibling Photographs

Individual and sibling photographs were taken on Tuesday. The photographs, along with details of how to purchase them should you wish to do so, will be sent out to families shortly. We hope you enjoy seeing the finished results.

Years 7 and 8 to Lancing College

This week, our Year 7 and Year 8 pupils enjoyed their first Thursday afternoon at Lancing College of the academic year. Every Thursday, pupils will take part in Modern Foreign Languages lessons alongside a thoughtfully curated programme of co-curricular activities designed to broaden experiences, develop new skills and encourage personal growth. These sessions provide valuable opportunities for our pupils to explore their interests, build confidence and collaborate with their peers beyond the classroom. We hope everyone had

a wonderful afternoon and look forward to seeing the enthusiasm and achievements that these exciting opportunities will inspire throughout the year.

Harvest Collection 2026

For our Harvest celebrations this year, we are delighted to be supporting Turning Tides, a wonderful local charity that provides vital support to people experiencing homelessness in our community. This year's Harvest theme is "Pick 'N' Mix: A Bumper Breakfast", and we would be very grateful for donations to help those in need. Please see the list in the notices for suggested donation items. Donations can be brought into school from the week beginning 5 October, and all contributions will be collected by the charity on 14 October.

Thank you for your generosity and support. Together, we can help make a real difference to the lives of people in our local community.

Lancing College Family of Schools Announced as Headline Sponsor of the Brighton Half Marathon Youth Races 2027

The Lancing College Family of Schools is delighted to become the Headline Sponsor of the Brighton Half Marathon Youth Races 2027, building on its successful support of the event over the past two years.

Taking place on Saturday 27 February 2027, the Youth Races will see young runners (open to ages 7-17) tackle a timed one-mile course along Brighton's iconic seafront, starting and finishing at the official Brighton Half Marathon finish line. Open to runners of all abilities, the event offers a fantastic opportunity to embrace a challenge, build confidence and enjoy the excitement of race day. We hope to encourage as many Lancing Prep Worthing pupils to take part as possible.

The Lancing College Family of Schools will also be fundraising collectively for a local charity, with further details to be announced soon.

Dr Scott Crawford, Head Master at Lancing College said, "We believe that sport is one of the most powerful ways of developing character in young people. Encouraging pupils to set themselves a challenge, commit to training and experience the pride of crossing the finish line reflects the values we champion across the Lancing College Family of Schools every

Congratulations to:

Romey F who took part in the annual Hand Cross 20-piece harp ensemble this summer. She performed a solo and two ensembles and played marvellously.

Ethan S who has earned his black belt in karate.

Phoenix P who has earned his purple belt in karate.

Florence W who played in her first U11 Sussex County League match representing Worthing United Youth. She was awarded 'Player of the Match' for not only keeping a clean sheet whilst playing in defence for three quarters, but also for scoring a hattrick when she was switched to striker in the fourth quarter, contributing to a 6-1 victory.

Pippa W who competed in the U14 & U16 Sussex Athletics League Finals at the K2 Crawley on Sunday, representing Worthing Harriers. She ran in the U14 girls' 100 and 200 metres races, gaining Personal Bests in both distances and adding valuable points in the team competition.

Orlando B who played in his first JPL game for Sussex RTC on Saturday and then helped his Wick team bag their first win-a great start to the football season.

Brodie B who played his first ever competitive football fixture for Southwater Royals, making some great and brave saves.

Emily T and Grace T who both took part in a charity singing concert last Saturday in aid of the Alzheimer's Society. They both performed as part of group numbers and had their own solo.

I wish you a very happy weekend.

Best wishes,

Francesca Milling
