Headteacher Awards 7-13 October 2026		
Reyan S	Reception	for showing fantastic enthusiasm and participation in his learning this week and trying his best.
Albie F-J	Year 1	for his focus and concentration in Maths.
Rafaela V	Year 1	for her beautiful drawings and attention to detail.
Annie G	Year 2	for writing a wonderful recount of her trip to Arundel Castle.
Poppy S	Year 2	for always having a positive attitude towards her learning and for being such a kind and considerate friend.
Isabella G	Year 3	for her fantastic contributions in Science and sharing her knowledge of skeletons.
Inès L	Year 3	for her consistent effort in all subjects and always being a kind friend.
Trixie S	Year 3	for her fantastic effort in learning her times tables.
Rory S	Year 3	for his super effort in Science and answering tricky questions about skeletons.
Harry A	Year 7	for his brilliant research and presentation on Napoleon, and for challenging himself to select and creatively present 30 key facts from his classmates' research on French culture.
Freddie B	Year 7	for reading Le Petit Prince by Saint-Exupéry, for his personal and fantastic presentation of this world-famous book, and for his excellent flashcards on Paris's main landmarks.

Headteacher Awards 7-13 October 2026		
Hamish B	Year 7	for his outstanding 15-slide presentation on Napoleon and his great flashcards demonstrating amazing linking skills.
Oscar C	Year 7	for his fantastic French presentation linking lessons to personal interests and French trips, with an engaging quiz to finish.
Maisie C	Year 7	for embracing French learning beyond the classroom by visiting the Elsa Schiaparelli exhibition at the V&A and creating a wonderful presentation about this French fashion designer.
Rosie E	Year 7	for her detailed and informative research and presentation on the top-level French equestrian eventing rider Gwendolen Fer.
Reeve E	Year 7	for creating two truly outstanding presentations: one on l'Épiphanie, showing his curiosity and deep understanding of this French tradition, and one on French numbers from 1 to 99. His clear, thoughtful explanations were so impressive that both presentations will be used as model lessons.
Adelaide P	Year 7	for being such a focused, methodical and persistent learner in her French lessons and for her amazing work in French over the summer and this half term.
Rufus P	Year 7	for being adventurous and open-minded by baking French macarons, inquisitive by researching their history and presenting his findings and imaginative and creative by writing a beautiful poem in both French and English about his passion for sailing.

Headteacher Awards 7-13 October 2026		
Rowan T-R	Year 7	for his outstanding and methodical French homework on France, French culture, the French-speaking world and the French language, going above and beyond expectations with a wide range of fascinating facts, detailed research and touches of humour that made his presentation both informative and enjoyable to read.
