## Livery at Lancing College Equestrian Centre

We appreciate that pupils have busy schedules for both academic study and co-curricular activities. In order to enable them to spend quality time with their horse while embracing other aspects of College life, the Lancing College Equestrian Centre offers a range of livery packages which can be tailored to suit individual requirements and existing commitments.

The new Equestrian Centre offers a first class livery service, with a member of the Equestrian Centre staff living on site to give you additional peace of mind whilst your horse is away from home.

All of our Livery packages are 'stabled livery' with daily turnout in all but severe weather conditions. Each package includes all bedding, standard feeds, and daily care. Additional services are payable and prices are listed below.

**Lancing College has appointed Lancing Equestrian as its sole partner and supplier to operate and manage the new Lancing College Equestrian Centre. Successful delivery of this service including all contracts, invoicing and the ongoing relationship with owners will be maintained by Lancing Equestrian.**

**For more information and availability, please contact Mrs Jan Tupper, Equestrian Centre Director, on 07483 911825.**

**Please note: The number of places available will be limited and on a first come first served basis.**

## Livery Packages

### Exclusive Use Premier Livery

This is a full livery service in which the owner has sole use of their horse.

If required by the owner, the Equestrian Centre staff will exercise the horse, by way of lunging or hacking, up to three times per week.

Exclusive Use Premier Livery ensures the owner has access to their horse at the times they choose, during the Equestrian Centre's published opening hours subject to school policy on visiting times. It also provides the added peace of mind that when students need to focus on their studies, or other aspects of College life, their horse is being expertly looked after and exercised.

### Premier Livery

This is our full livery service in which the owner allows the use of their horse by the Centre. The Equestrian Centre Manager will allocate your horse to suitable clients for instructed lessons or hacks, at times that you are unable to ride. Your horse may be used by the Centre up to twice per day, five days per week. This service not only exercises your horse, but enables your horse's development through a range of activities under the close supervision and expert care of qualified instructors. The Premier Livery service is subject to a one-month trial on arrival to check the suitability of the horse.

### Equestrian Centre Loan Scheme

For a pupil who takes a weekly lesson at the Centre and consistently demonstrates a high level of horse care and riding ability, it may be possible to loan an Equestrian Centre-owned horse.

### Application for Livery and Payment

To apply for a livery place for your horse please call Jan Tupper on 07483 911825. A livery application pack will be e-mailed to you for you to complete and return.

Once availability is confirmed a £500 holding deposit will be required by bank transfer to secure your place. Bank account details are given on the livery application form.

Livery fees are payable to Lancing Equestrian in advance by bank transfer and are due 14 days prior to the start of term. A livery contract will be sent to you which must be signed and returned prior to the arrival of your horse.

On receipt of the livery fees, the holding deposit will be used to set up a credit account for the horse/owner. This account will be used by the Equestrian Centre to pay for any extra items required for your horse, eg specialist feeds, supplements, along with replacement items, eg rugs that are required for the horse during the term. Full details of this credit account are available in the livery application pack, see the Terms and Conditions of Livery.

Additional livery services will be invoiced on a monthly basis.

One term's notice in writing is required to terminate the livery agreement.
