

LANCING COLLEGE  
**SUSTAINABILITY WEEK**  
MARCH 2022

# Sustainability Week

---

14 – 18 March 2022

Lancing College

---

Senior School & Sixth Form

# Sustainability Week

Building on the work already underway at the school and the growing enthusiasm of Lancing pupils, the College's Sustainability Week will offer focused activities for pupils and guests. This will conclude in a symposium and exhibition for our Lower Sixth and other Year 12 pupils from local schools.

We hope that this week of focus will help raise the Lancing community's understanding and engagement in climate change issues as well as the UN Sustainable Development Goals (SDGs).

## This week you will see/hear...

### Throughout the week in Houses

#### House Competitions:

- Reduce Energy Consumption in Your House
- Waste Not Want Not Challenge
- Recycling Challenge

### Throughout the week in classrooms

Talks and lessons about sustainability topics across all subjects.

Geography fieldtrip: learning about the sustainable redevelopment of East London after the 2012 Olympic Games.

### Throughout the week in the College reception

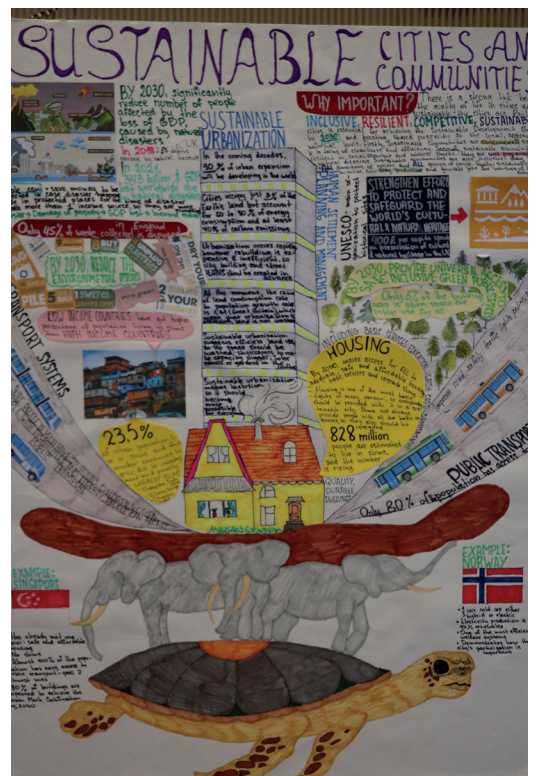

**'Recycled Art Sculptures':** using recycled/re-purposed materials, our pupils' artworks were created on the overall theme of sustainability.

- 'Cardboard Tree Ring Mobiles' by Molly T, Upper Sixth
- 'Food Waste Installation' by Marianna P, Upper Sixth
- 'Plastic Wave Relief' by Mila S, Fifth Form

**Geography Competition:** pupils from the Third and Fourth Forms were invited to create a poster on their chosen UN sustainable development goal.

#### Winners:

- Overall Winner: Sofii S (Fourth Form)
- Fourth Form Highly Commended: Anna S and Vanessa F
- Third Form Joint Winners: Izzy B and Isabella C
- Third Form Highly Commended: Alysha H, Bella B and Freya HB
- Prep Schools Winner: Sophia B, LPW
- Prep Schools Highly Commended: Ciara H, LPH

## Wednesday 16 March

1.40pm

Lunchtime 'Green' Concert.

Beach Clean with Lancing's Explorer Scouts.

## Thursday 17 March

All day

**Green Day:** wear green in support of the charity 'Just One Tree'.

8.50am

Assembly for Third and Fourth Forms on Climate Change.

### Workshops:

- Exploring the SDGs
- Children's Environmental Rights
- Dubai: A Case Study of Development and Environmental Impacts

## Friday 18 March

All day

10am – 4pm

Sustainability Exhibition.

### 8.50am

Lower Sixth & Guest Schools Symposium.

Head Master's Welcome.

### Followed by Guest Speakers:

#### **Peter Milne, Target4Green**

Peter is the Founder of Target 4 Green, which provides crucial links in making children and adults more aware of the global issues we face together. Target4Green brings all elements of sustainability together in thought-provoking and dynamic ways through practical workshops, seminars, team building, presentations and experiential learning opportunities.

#### **Pooran Desai, CEO of Oneplanet**

Pooran studied at Oxford and Cambridge Universities before becoming a serial social entrepreneur, real estate developer and sustainability advisor. In 2002 he put together the UK's first zero carbon village development, BedZED, and led on the creation of the One Planet Living® framework used in over 30 countries. He is now Founder and CEO of OnePlanet.com, a technology company providing sustainability tools to cities, companies and community groups.

#### **Matt Larsen-Daw, Head of Education, WWF-UK**

### Round Robin Activities for the Lower Sixth and Guest Schools:

- Biomimicry – Nature as Teacher and Inventor
- University of Brighton
- Visit to the Exhibition

### 3.35pm

Review of the day with Peter Milne.

# Friday 18 March

10am – 4pm

Sustainability Exhibition in the Sports Hall

LANCING COLLEGE  
**SUSTAINABILITY WEEK**  
MARCH 2022

We welcome the following exhibitors to Lancing's Sustainability Week:

## **NONO Lab**

Eco-friendly, plastic free shower tablets.

[www.nonolab.co.uk](http://www.nonolab.co.uk)

## **Transition Town Worthing**

An active, solutions focused organisation, working to help reduce CO2 and create a more sustainable community.

[www.ttworthing.org](http://www.ttworthing.org)

## **Transition Town Shoreham**

Part of the Transition Network, a movement of communities coming together to re-imagine and re-build our world.

[www.facebook.com/groups/377433646685714](https://www.facebook.com/groups/377433646685714)

## **Greening Steyning**

An active and enthusiastic local group working to create a sustainable, low-carbon future for Steyning, Bramber, Upper Beeding and the surrounding area.

[www.greeningsteyning.org](http://www.greeningsteyning.org)

## **Sussex Green Living**

An award-winning growing charity offering many climate mitigation solutions.

The woodland theatre truck (located in the College's main car park) is a mobile art exhibition illustrating the evolution of planet Earth.

[www.sussexgreenliving.co.uk](http://www.sussexgreenliving.co.uk)

## **Rampion**

An offshore wind farm developed by E.ON, now operated by RWE, off the Sussex coast in the UK.

[www.rampionoffshore.com](http://www.rampionoffshore.com)

## **Lancing College Estates Team**

The team, led by Bursar Kim Fisher, looks after the wider Lancing College Estate. They will be sharing updates on 'green' projects currently being worked upon.

## **SDNPA**

Lancing College sits within the South Downs National Park Authority; the SDNPA is responsible for keeping the South Downs a special place.

[www.southdowns.gov.uk](http://www.southdowns.gov.uk)

## **Eye Project**

E.Y.E. or 'Eco, Young and Engaged', is a sustainable learning project helping local schools and young people within them to make a positive difference to their environment.

[www.eyeproject.co.uk](http://www.eyeproject.co.uk)

## **Refood**

The European market leader in food waste recycling; they are supplied with the College's food waste that can be recycled. Offer an alternative to sending unwanted food to landfill with our safe, secure, closed-loop, end-to-end solution.

[www.refood.co.uk](http://www.refood.co.uk)

## Sussex Wildlife Trust

A conservation charity for everyone who cares about nature in Sussex. We focus on protecting the wonderfully rich natural life that is found across our towns, countryside and coast.

[www.sussexwildlifetrust.org.uk](http://www.sussexwildlifetrust.org.uk)

---

## West Sussex County Council

There will be a focus on what happens to waste and recycling in West Sussex and how waste, particularly food waste, contributes to climate change.

[www.westsussex.gov.uk/land-waste-and-housing/waste-and-recycling/recycling-and-waste-prevention](http://www.westsussex.gov.uk/land-waste-and-housing/waste-and-recycling/recycling-and-waste-prevention)

---

## Over the Moon

Over the Moon is a non-profit community arts organisation spreading the joys of creativity and togetherness throughout Adur.

[www.weareoverthemoon.org](http://www.weareoverthemoon.org)

---

## Worthing Climate Action Network

Worthing Climate Action Network is a non-party political “umbrella” grouping made up of members of campaign groups, faith groups and community organisations.

[www.facebook.com/worthingclimateaction](https://www.facebook.com/worthingclimateaction)

---

## Shoreham-By-Cycle

Celebrating and enabling cycling in Shoreham-By-Sea

[www.shorehambycycle.org.uk](http://www.shorehambycycle.org.uk)

## Sussex Underwater

This group is for people to share their videos, photos and information about the sea off Sussex.

[www.facebook.com/groups/774549756586400](https://www.facebook.com/groups/774549756586400)

---

## University of Southampton

University of Southampton is a founding member of the Russell Group and top 15 UK university. We offer subjects in STEM, healthcare, arts and humanities, ocean and earth sciences as well as medicine.

Located just over an hour from Lancing College by car, we would love to welcome you to our in person Open Days again in July 2022.

[www.southampton.ac.uk](http://www.southampton.ac.uk)

---

## University of Brighton

Brighton is ranked in the top 50 UK universities, reflecting the number of our brilliant graduates who are in highly skilled employment or further study. During the symposium representatives from the university will talk to pupils and guests about the local nature and conservation and what the local community can do to improve this, as well as food wastage and the role of school and local communities can play to reduce this.
